HUMAN CAPITAL MANAGEMENT BUILT UNIQUELY FOR YOU

TOPBLOC

Improve how your team operates with tailored Workday HCM solutions from TopBloc.

Let our experts guide you through choosing the capabilities that best suit your organization's needs and maximize your human resources. Rather than simply migrating your old system directly to Workday, our team works with you to transform your business, automating your processes to make them more dynamic, efficient, and scalable.

MAXIMIZE YOUR HUMAN RESOURCES, MINIMIZE ADMINISTRATIVE CONSTRAINTS
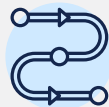

TopBloc combines innovative technology with the expertise of a Workday services provider that has led over 150 launch deployments in the past 5 years to deliver our customers tailored solutions. Our unique methodology was designed to:

ELIMINATE INEFFICIENCIES

LESSEN MENIAL TASKS

STREAMLINE MANUAL PROCESSES

DELIVER ACCELERATED RESULTS

We pride ourselves on our ability to drastically reduce resourcing requirements, enabling clients to remain focused on their business while they gain immediate value from their new Workday platform.

TopBloc's technology-driven approach enables our consultants to expedite deployment timelines and pass meaningful savings back to our clients. See results faster, when you deploy Workday with the company with the best time-to-value timelines in the industry.

TAILORED SOLUTIONS PROVIDE THE FUNCTIONALITY YOU NEED

Our knowledgeable consultants will lead you through a three-phase process to onboard, architect, and refine your Workday HCM application to include the functionality you need:

- Human Resource Management
- Organizational Change Management
- Business Process Management
- Reporting and Analytics
- Contingent Labor Management
- Recruiting
- Learning Management
- Absence Management
- Benefits Management
- ACA Management
- Compensation Management
- Talent Optimization
- Time Tracking
